PLEASE NOTE

Your child will need to have the above items in his/her possession each school day in order to maximise participation in the learning opportunities presented. The quantities indicated are estimates of what parents might expect their child to use during the course of the year. As consumption will vary from child to child, responsibility for the accuracy of estimated quantities will not be accepted by the school. Consumable items will need to be replaced throughout the year. Parents/carers are expected to purchase items of size or type listed above. Uniformity is important in the case of several items (eg. excessive size pencil cases impact on the desk space available to your child).
