

Dear Parents and Carers

COVID-19 - POST LOCKDOWN UPDATE

It is business as usual at school, with staff and secondary students wearing masks until the end of the school day on Friday of this week. We await further information then.

As you are aware from media coverage, primary students are not required to wear masks. Secondary students and all teachers must wear masks. Teachers can remove masks to teach.

Following this latest health advice our school remains open for learning and parents/carers will be able to drop their children at school but need to sign in and out on our register if they wish to be on site.

The safety of staff and students is a priority and extra cleaning and hygiene measures continue. The latest health information is available through the [WA Health Department](#).

We have had to cancel the big **ANZAC** Assembly planned for tomorrow. However, we will still have one minute's silence, the Last Post and Reveille and wreaths laid at the flag poles to commemorate the spirit of ANZAC.

Our Outdoor Education camp to Margaret River – due to commence with students heading off on the bus at 7:00 am this morning - has been postponed as we were being extra cautious about the camping arrangements. The organisers of the Young Leaders' Forum, which some of our students were attending, have had to cancel that.

The PandC **Mothers' Day stalls** will still go ahead as planned for students to purchase gifts ranging from 50 cents to \$10.00. Orders can also be made online. (See Bullsbrook College PandC Facebook page.) The first stall is on this Wednesday, 28 April from 8:00 am to 11:30 am outside the canteen. (See flyer attached.)

Don't hesitate to call us at the school if you have any queries.

Stay safe and best wishes

Bernadette Jones
Principal

27 April, 2021
