

Secondary Contributions and Charges 2022 Years 11 and 12

If your child nominates to participate in an off campus fee for service course they may be charged a cost of up to \$10,000 for their certificate course and any other associated fee/licence/screening, etc. 100% of course fees need to be paid to Bullsbrook College to secure your child's placement in the program prior to commencement of the course.

Under SECTION 99 of the School Education Act 1999, charges apply to all courses in Years 11 and 12. These charges are, and always have been, **compulsory**. Please note carefully the charges applicable to each course. Some are more expensive than others due to the cost of materials and resources.
