# BULLSBROOK COLLEGE YEARS 11 AND 12 2021

## PLEASE NOTE

Ideally, if all items can be bought at the beginning of the year and stored at home, the student can readily replace used or broken items as required. Your child will need to have the above items in his/her possession each school day in order to maximise participation in the learning opportunities presented. The quantities indicated are estimates of what parents might expect their child to use during the course of the year.

As consumption will vary from child to child, responsibility for the accuracy of estimated quantities will not be accepted by the school.

Consumable items will need to be replaced throughout the year.

Parents/carers are expected to purchase items of size or type listed above.

Uniformity is important in the case of several items (eg. excessive size pencil cases impact on the desk space available to your child).

Consumables supplied by the school for certificate courses and practical courses will be charged through the school's subject costs.

Physical Education Studies: students MUST change into sport uniform for Physical Education Studies (COMPULSORY).

Instrumental Music: students will be required to wear black business trousers, black leather shoes and black socks for all performances. Shirts will be provided by the school.
