PLEASE NOTE						
Your child will need to have the above items in his/her possession each school day in order to maximize participation in the learning opportunities presented. The quantities indicated are estimates of what parents might expect their child to use during the course of the year.						
As consumption will vary from child to child, responsibility for the accuracy of estimated quantities will not be accepted by the school. Consumable items will need to be replaced throughout the year.						
Parents/carers are expected to purchase items of size or type listed above. Uniformity is important in the case of several items (eg. excessive size pencil cases impact on the desk space available to your child).						
All students from Pre-Primary to Year 6 must have the math workbook as an essential requirement for their math education. In the event a student arrives at school without a math workbook, one will be provided, and the associated charges will be applied to their student billing account
